

FISIOCREM SOLUGEL

Fisiocrem Solugel is a soothing massage rub for use on tense and contracted areas like the neck, shoulders and back. Massaging Fisiocrem Solugel into the tense areas leaves them feeling refreshed and revitalised.

A soothing sensation of wellbeing on any occasion. First help at home, in the office, travelling or for sport.

Fisiocrem Solugel ingredients (Arnica, St John's Wort, Marigold, Tea Tree) leave a soothing sensation of wellbeing on any occasion.

Non-greasy, it doesn't stain clothes and it's quickly absorbed.

INDICATIONS: Suitable for children age 6 or above. Try for yourself and feel the results on your own body.

APPLICATION: Take a generous amount of Fisiocrem Solugel (5ml) and massage into the tense and contracted areas. Use Fisiocrem usually 2-3 times per day, or as often as required.

Arnica montana - Arnica

Hypericum perforatum - St John's Wort

Calendula officinalis - Calendula

Melaleuca alternifolia - Australian Tea Tree Oil
